The cover features a dark blue, monochromatic aesthetic. At the top, a large, menacing face of the entity 'The Old One' looms. Below it, the main characters are depicted: a woman holding a young girl, a man in a patterned jacket, and a young boy with a wide, unsettling grin. In the bottom left, a close-up of the doll 'Chucky' is shown with a wide-eyed, crazed expression. The background is filled with faint, ghostly silhouettes of figures.
